Food Industry Specialists Kemtile Win Prestigious Industry Accolades

Kemtile Limited, who supply hygienic floor and wall finishes to the food, drink and pharmaceutical industries, have been awarded FeRFA - Contractor of the Year 2009/10. FeRFA, the Resin Flooring Association, represents the major product manufacturers, specialist contractors and surface preparation companies, raw material suppliers and specialist service providers within the UK Resin Flooring Industry.

"The award was well earned and deserved for the contribution Kemtile make to The Resin Flooring Industry which FeRFA represents here in the UK, it was good that our association recognised this". Ian Scriven BASF

Earlier this year Kemtile were awarded Excellence in Tile Contracting at the Tile

Association Awards 2009. This award is given to only one contracting company each year. The Tile Association represents all aspects of the wall and floor tile industry in the UK, from

manufacture to installation.

At the TTA Awards Kemtile also won Best Technical Use of Tile in a Construction Contract for work at Uniq, Northampton won in conjunction with UK Tile

Manufacturer Pilkington's Tile Group Plc.

In addition Kemtile's David Priest has been elected as Vice Chairman of FeRFA at the council meeting which followed the AGM.

Kemtile offer both ceramic and seamless resin flooring with Ucrete and Kagetec and can advise on the best system without bias. They have been providing seamless resin floors in this industry for almost 30 years and they have been approved Ucrete applicators longer than any other company. Kemtile are lay more tiled floors in food factories every year than any other company.

Kemtile have worked for almost every major brand in the food and drink industry. They understand this very exacting industry, respect its constraints and appreciate its specific needs.
